

## Survey Section: Organization (CBO)

The **Organization** tab contains 4 questions about the scope of service learning at your community-based organization.

**Organization-Specific Questions**  
The following questions are about your institution/organization. **Be sure to save the report periodically (after every few questions) as you fill it out so you don't lose data.**

1. Organization size: provide the number of youth (ages 5-17) in your organization as a whole.

2. What best describes the scope of LSA funded service-learning activities at your organization during the 2008-2009 program year? Check all that apply.

Integrated into all activities at the agency/agency-wide program

One or more stand alone programs (e.g. an after school service club, leadership program or summer camp)

Integrated into all youth programs

Other (specify)

An ongoing activity or element that is part of a larger program (e.g. a regular activity in a comprehensive after school program)

Don't know

3. Does your organization have service-learning requirements for any of the youth who participate in your organization?

Yes, for all youth

Yes, for some youth

No (skip to question 5)

Don't Know (skip to question 5)

4. If your organization has a service-learning requirement, what type(s) of service-learning requirement(s) does your organization have?

Required classes that incorporate service-learning  Yes  No

Specific number of hours of service outside the classroom  Yes  No

Some other requirement  Yes  No

The first question asks about the number of young people served by your organization **as a whole** (not just those in the service-learning program).

Questions 2-4 ask you to describe the scope of service-learning activities at your organization and whether your organization has a service-learning requirement of any kind.

These questions refer to all service-learning activities, including those not funded by this Learn and Serve America grant.
